DETAILED ACTION

The response filed on 1/4/2008 has been entered.

Allowable Subject Matter

1. Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1 and 9, the prior art of record neither shows nor suggest a halogen incandescent lamp comprised of, in part, a non-conducting part such that the outer end of the part of the mount at or near the outside of the pinched portion and the support wire are electrically insulated from each other, along with the rest of the limitations of the claims.

Due to their dependency, claims 2-8 and 10 are necessarily allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
